Strawberry Banke Museum, in the heart of historic downtown Portsmouth, New Hampshire, is an authentic 10-acre outdoor history museum listed on the National Register of Historic Places and dedicated to bringing 300 years of American history to life. Strawberry Banke is a place to have fun learning about architecture, heritage plants and foodways, traditional crafts and the tools, clothing and collections families used for everyday life in this waterfront neighborhood, 1699 through 1954 when a group of local volunteers saved the site from urban renewal.

Explore heritage gardens, historic buildings, and crafts, preservation programs, hands-on activities, stories told by costumed role-players, traditional crafts and the changing exhibits that offer hours of enjoyment and discovery.
