

An annual holiday tradition since 1979, Candlelight Stroll showcases 350 years of seasonal and holiday traditions.

This year, due to the pandemic, Strawberry Banke presents “Candlelight Stroll Under the Stars”, focusing on exterior lights, beautiful wreaths, costumed roleplayers, and the magic of the season set against the backdrop of Strawberry Banke’s historic houses and landscape.

The museum grounds glow with hundreds of lighted candle lanterns, and house doors and railings are adorned with handmade decorations crafted from live greens and dried flowers and herbs collected from the museum gardens. Visitors stroll along candlelit pathways and are greeted along the way by roleplayers and performers who recreate the traditions of times past.
