

# Sarah Goodwin's Scavenger Hunt

*Print this page and bring it with you to the Victorian Children's Garden*

Mrs Goodwin was out in her garden yesterday, working among the flower beds and in her hothouse. While she was strolling with her basket, she saw many interesting things. Can you find the things she saw?

When you are looking for treasures in Mrs. Goodwin's garden, please remember to:

- not pick any flowers or leaves in the garden or hothouse
- not eat or taste anything in the garden or hothouse
- keep your eyes and mind open!
